

Phil is a free service that provides you affordable, reliable, and transparent access to Dartisla ODT™

- Lowest price available through copay assistance program
- Medication delivered free to your door
- Online and phone support to keep you informed and help manage refills

How it works:

- 1** Click the link we text you to enroll—it only takes two minutes

- 2** After we verify your copay, please confirm your payment info

- 3** You will receive a text with a shipment tracking link
